

Take. PCB3. U2  
R

An orange rectangular printed circuit board (PCB) is shown against a dark wood-grain background. The PCB has several circular holes. Two wires, one red and one black, are inserted into a hole at the top center. The text "Take. PCB3. U2" is printed in white on the board, with the letter "R" centered below it. There are also two small holes on the left and right sides of the board, and two more small holes above the main text area.
